

Charity Fun Ride 18th May 2008

Rotary Coast to Coast Fun Ride in Small Chunks Scenic route between Ilfracombe and Plymouth, Devon

For Teams of Families, Friends, Clubs, Organisations or Business

Choose any section of this beautiful Sustrans route from scenic and flat estuary cycle tracks to stunning moorland byroads. The route passes through some of the most stunning scenery in England. You can ride as much of the route as you like, going between at least two check points. The minimum distance is five miles and you can check our website for advice on the difficulty of each section. Children under 14 must be accompanied by an adult. Remember you will have to ride there and back again or arrange for your own transport back.

Download a sponsorship form from our website www.rotarycoast-coast.com and get each member of the team to raise as much money as possible. This will help to raise your overall team score, see below.

Choose which registered charity you wish to get 50% of the money you raise. 1 charity per team entry. See charity page for details. The other 50% will go to Rotary club charities of which 40% will go to your local Rotary Club to distribute to charities as they see fit. If you do not specify a charity then all the money you raise will be distributed to Rotary charities.

We strongly recommend all cyclists wear a helmet.

Fun ride prize will be for the team who get the highest score. You may enter as a team of 1 to 6 persons. Entry cost is £10 per team.

Fun Ride Team Score = Total of each teams person miles x money raised

For Example a team of 6 riding from Bideford to Torrington and back which is 10 miles, and raising £20 each.

Fun Ride Team Score = 6 x 10 x 20 = 1200

There will also be spot prizes on the day for cute kids and fancy dress.

You can start any time from 8 am but you must have finished by 8 pm. Start early so you can relax and enjoy the day, take a picnic or stop at one of the many cafés and pubs on the way. Water will be available at every check point and some will have snacks as well.
